MESSAGE FROM THE CHAIRMAN OF THE PRIVY COUNCIL

Well kids, here it is, 1991, sweet 16 for the court and we're all still growing up! The beginnings of a new decade, a new court and a new attitude! Believe me, in the 16 years I've been involved with the Court, it truly could not be said better than "From the Flintstones, to the Jetsons". Ask Chatty, she knows; life is truly like a giant playground and aren't we just the oldest school marms on recess duty.

Seriously though, I'm sure I speak for all the past monarchs when I say; the Court can make a difference for ALL of us, but more so for those yet to become involved in "our community". We should all look forward with eager anticipation for what the future holds. We've come a long way and have earned a great deal of respect for our efforts. I personally toast you one and all for the efforts put into making this Court work (especially for those "difficult-moments" we've all experienced!). Thank you for your tolerance and patience..., it has paid off, as it always will.

A special mention has to be made of the dearest and sweetest lady in the world. "Mother Jean", you are an inspiration for us all, throughout every single year of the Court you've been there. Yes folks from Millie to Twiggy, this lady has been there, kicking-ass as needed, and soothing the pains of growth. We can all certainly learn from your gracious attitude and tolerance throughout time. I love you, "ya old boot"!!

In closing off this ramble I'd like to say "It has been fun for me (at times I must admit) and I hope its been fun for you; so let us all toast the people and the times spent, but more so toast the people and the times yet to come!

Have yourselves a great evening, safe journeys everywhere, and don't forget to support your local community-groups because they're all here for you one-and-all.

Good night.

J. Reid
Chairman
Privy Council

**CITIZEN OF THE YEAR
JOHN DE SMIT MEMORIAL AWARD**

The **Citizen of the Year Award** is presented annually to a person who has contributed freely to making the Gay Community and the City of Edmonton a better place to live. This contribution, although not necessarily publicly acclaimed, is one that allows each of us to move through life more freely and with more companionship among our neighbours and acquaintances.

John De Smit was a man who was at ease with life and socialized freely with everyone around him. He loved having a good time with everyone and demanded nothing from anyone. He loved showing the unaware that gay people are worth knowing and caring about. He was cared about by many people from all walks of life and his untimely death was a tragic loss to all who knew him.

Empress I Millicent/Mr. Paul Chisholm established the first **Citizen of the Year Award**, honouring the memory of the late John De Smit. This year, we celebrated the 14th Annual Presentation.

Past award recipients are listed here for your information and we hope that you take the opportunity to meet them. They possess many of the qualities so dearly loved by John De Smit himself.

1977-78:	John Reid	1984-85:	Michael Ritter

Good Evening and Welcome to 'CORN'ation '91!

It is with much hassle, trouble and unspeakable violence that we welcome you to our fair city. Having you all here is nothing short of grief I tell you!!! Too much money, no sleep and wigs everywhere girls. As my big gay year comes to a close, I can't help but think "I just got off the bus to have a poop and I been stuck here ever since"...Who are you people? And what are you doing wearing ladies clothing in my bathroom? On a more serious note thank you to all who have travelled near and far to be with us on our most excellent evening.

Being Imperial Crown Prince in the City of Champions has been no easy task, But I know I've done you proud. A few eyebrows were arched suspiciously on the eve de GINGER but with time they learned she was not an evil spy from HELL...I helped raise funds for the Court and for charities as Michael whether I was in a dress or pants. If we hope to prosper, thrive and step forward, certain sacrifices must be made, I made them and have no regrets.

Unfortunately, I did not have the opportunity to travel as much as my fabulous Empress did, but to those cities I did visit thanks for hospitality! (My liver will never be the same!!) Don't call me Millie!! STOP cruising me!

Vancouver, B.C - A true gem in North America! Myria, Gil, Tallulah, Marilyn O (I'll be seeing you) it has been a pleasure to RAIN with you. Zola, miss you! XOXO. Rinse brother 3, Mr. Bennett the spin cycle is next. Pearl, Trash, Sushi, Flo, Darcy, Michael, Nyra, Venus, Rolf, Buster and Stefanie, I LUV U, XOX.

Calgary, Alberta - My home away from home. Oh god, I missed my bus! (Guess it's the milk run...) Tiffany - Flawless run with it girl. Tee hee. I feel the Eartha mova under my feeta. Ward, it's only a gram or so to Edmonton. Jamie - It's eleven o'clock do you know where your car is? (Ha ha ha, cops!) Ty, you're just a "black forest ham" to me. Luv ya!! Heath, ever gotten lucky in Jasper! Maybe it'll work in Victoria, all my love XOXO. Broderick, Flo, Chris, Gary, Brent, Billy, Barry, Richard, Ray, Todd, Ian, Rob...ah fuck it!! Everybody yes, even you Kiwi.

Saskatoon - 3 years most excellent and more to come. Rinse brother 1, Darren, can you turn away from the camera we're getting a glare from your mouth! XOXO. Vanna, show us your dink!! Natasha girl, are you every ugly!! LUV U ALL!!

Regina, too many, too much, good luck! LUV Nellie no space.

Toronto - Ryan, Dawn, Andrew true royalty. Scablips you better be here.

Edmonton - Gloria. Thank you for Guys in Disguise, sties in your eyes, pie in the sky, why oh why? Bev, thanks for the encouragement, it's all your fault. Kyle, you made me believe in the court system, you hurt me but I still love you. Pat, still bitter? Love, me. Mary, isn't it amazing how such an ugly non wiper had such a beautifully wiped daughter? Shayla, great shoes girl! Mandy, good with mayo, much love and admiration, Ginger XO.

My Imperial Crown Princess Jackie, I was shocked and stunned at first, but 3 pitchers later I got to know the man behind the polyester. You are a true princess and one of the most sincere people I've ever met. Thank you for sharing our year and may the future hold the best for you, with all my love and your tiara, Michael.

Twiggy, five years ago a shy (and yes even butch!) boy arrived for his first rehearsal at Flashback. We've come a long way baby!!! Over many years we have become friends and sometimes giggle sister, for that I'm very happy. You are my inspiration, conscience and backer, making you therefore a "demi-god" (sorry the position of God has been filled). Remember this year as one of many fond memories, many scandals and furious, fabulous, flawless frenzies. You can now take a regent!

Thank you to all my friends whom I haven't mentioned by name, I will personally thank you all after the big gay ball, buy me a cocktail! The stage is set, my tape is cued and my jacket isn't finished, but I'm on.

I will always remain, Imperial Crown Prince XV, The Phantom Decade

His Most Imperial Serene Highness,

Michael

Coronation '91

O'Canada our home and native land, true patriot love through all our son's commands, with glowing hearts we see thee rise the true north strong and free...Hi there. I'd like to welcome you all to Edmonton, the Big Onion, home to the Wildest Party Children of All Canada!! I hope you have a "most excellent" evening here at Coronation '91 from the Flintstones to the Jetsons. I know I will...

During my reign, I was not just an Empress, I was a Canadian Empress. And to me, that meant I really had to work it! I am very proud of Canada and all we have to offer. I believe I have done my City proud and that is what I was elected to do. There were many people who stood beside me to create a positively "most excellent" year! There were those of course who didn't but, shit happens. Everything I've done has been in the name of fun. One can never have too many friends or memories and I'd like to share mine with you.

Regina - Bubblz, Deb, Bruce and Daniel, you will always be "most excellent" to me! Is the spare room ready? **Anita Lay**, the door is open for you, **Bernie Wilma**, love the finger doo! I'll be there kids!

Saskatoon, so many fond memories from rainbows end to cows behind, there will be many more "secret words" for Saskatoon in the future. **Missie La Moo and Miss K**, I can't think of waking up beside or in between two scarier people on the morning after the a big gay function, where are my eyelashes? **Douglas**, I would love to see your stuff, remember, artists don't work, they live! **Ghedo**, you are weird. **Darren**, watch out for the spin cycle! **Ruthie**, lighten up girl.

Calgary, my sister girl city, my second home. **Ty**, you always gave me stress, of course only when I needed it! You are my best friend and my worst nightmare all rolled up into one big ball of fun. I know the real guy behind the Ty. Yes, she's my half (my BITTER half...) I think of you often and love you a lot. **Stewart**, my illegitimate darkside affair, I wish you would com to Edmonton more than once year, then maybe I'd shed the longjohns, right David?! XOXO **Danny**, you are my favourite starlet. **Zsa Zsa Del Koo Koo**, **Brent**, nellie shirt! **Flo**, artiste extraordinary. **Broderick**, my love. **Heath, Jami, Scott, Justine, Eartha, Monique, Kevin, Doug, Natalie, Wayne, Dee Dee, Marti, Barri, Robert, Ernestine, Betty, Flora (VANNY TRANNY!)** and **Billy**, I would wait for a plane in the fog with you any day! **Ward and Jamie**, XOXO. **Tiffany**, I always said you'd be a fabulous empress and I'm glad I was right! Lets hit the hot tub sometime soon.. O girl, tee hee hee! **Chris**, you're delightful, keep it up, XO.

Toronto - Don Gallagher (Valley Parkway), I feel I will always be your friend, so don't cry it's not the end we've only just begun and if you ever need cab fare...(see RENO). **Paul**, you are one of a kind but, Daddy you're an ugly queen! **Ryan Waters**, we have this terrible monster in the dragroom called the GLITZWORM, it crawls in your ear and up to your brain and convinces you to cover your body in beads and sequins and rhinestones until you are too heavy to move. Unfortunately there is no cure. It's been a pleasure reigning with someone whose clothing weighs more than I do, love ya! **Andrew**, when you're around my dance card will never be full, we've got rhythm baby! **Lulu La Rude**, I miss you too much! Love Schtick.e. **Vancouver, Miss Willie** a perfect 19 served up with cream corn and southern fried chicken, mmm child! **Bennett**, don't give up. **Zola**, miss you! Finally nice eyebrows! **Marilyn O**, wanna go outside for some fresh air? What colour are the police cars in this city? **Tallulah Trine**, fancy french hole. I'm glad you haven't lost your brutal honesty. Friends for life, Twiggums. **Gil (Lawn Chair)**, you haven't nothing to worry about, she wouldn't dare take a regent (hee hee!). **Myria Le Noir**, show us your dink at the big gay ball dear! Even though you tend to give me bruises you are my favourite empress, wonderful. Just stop cruising me, you fag!

Seattle - Valerie, love your hair girl. **Steph**, you're great. **Karol Ann**, I know you know I know, ya know?! **Dan O Slinger**, I'll never be the same, you're a buzz dude. **Sassy Weather**, updoo or not, you're always a hoot girl.

Spokane Christi, flawless! A hard man is good to find, see you there. **Donna (baby butch)**, you have a great ass for a woman that is...hee hee! **Eunice**, it never ends, eh? **John**, work it girl! **Sharon and Lucy**, see ya real soon!

Portland - Mr. Bill, you can do my hair anytime, more spit, less straws but, not in stall #5 (eek!) you'll never know how much I love you. **Velvet**, hi hung! What do yo make of this? A hat, a broach, a pteradactyl? Caw caw! You are truly a trip girl! **Champagne**, I applaud you, the only one who can make Buster shut up (hee hee!). I love your Judy Jetson outfit. **Ray**, a very nice fella. **Patti**, it ain't easy being a diva but you do ti with style. **Maria**, simply beautiful. **Peacock**, lets take a rain check on that hot tub.

Reno - Jack E, a straight shootin' kinda gal, everyone should take an example from you and your court. Loving, giving, cooperative, in two words "MOST EXCELLENT". It was an honour to be at your step down. Next time we'll have donations to the Dawn Valley taxi fare fund so she can get to the ball. (Poor Dawn.) Larry, hey man, Edmonton has lots of pinball machines, best of 7? **Christy Love and Ray**, lots of luck!

My Imperial Crown Prince...YES! Michael, you were and are a scandal just waiting to happen, if laughter is the best medicine, I'm cured! You stood by me no matter what and through it all you made me feel special. Thank you Mr. Snapped! I love you.

My Imperial Crown Princess, Jackie, you worked it girl! I knew you would do well and you never let me down, you kept your own personality and you have always been you, that's most important. All my love the big E.T. (Empress Twiggy).

My Emperor, Pierre - thank you for all the lovely earrings.

Edmonton, my home! **Boots 'n' Saddle, Flashback and The Roost**, thank you, thank you, thank you!! much love, "JUST HER".

I've lived in this city for 13 years and it would be quite impossible to thank everyone but, I do have a few hundred who come to mind, **Brian, Keith, Ashely, Eva, Bev, Mary, Bob, Lori, Cristy, Asia, Coco, Luis, Sabrina, Bunya, Chatty, Elaine, Gloria, Vera, Mandy, Shayla, Aunt Acid, Iona Box, Petra, Don, Kirby, Trevor, Dee, Lydia, John, Jim, Lisa, Wes, Marsha, Jean, Leonard, Marian, Peter, Ora, Darrin, Tony, Rita, Fern, Ross, Clifford, Randy O, Mel, Terrie, David, Janie, Rolf, Buster, Mike, Karen, Geezer, K.D., Kodo, Buster, Rascal, Mae Ling** and like I said a few hundred more! Thank for believing in me...I did it!

I will always remain,

The Legend in her own Lunchtime Wild Rose Empress XV of Edmonton

H.M.I.S.M. Twiggy

P.S. My Princess Consort, Barb, only one fight all year! I owe you a lot of #6!!! Much love, Twig!

Dear Friends:

Welcome everyone to Coronation '91.

Edmonton - There are so many people I want to thank for their love and support this year. Each of you have a very special place in my heart. When they say this is a party city we don't let them down. Special thanks to all of you that supported and helped in as Imperial Crown Princess XV. To all those who made my year a full and joyful one, thank you!

To my Emperor, **Pierre**, your friendship is something very special to me.

Twiggy, my Empress, what can I say to express my feelings for you. I am proud of you and the work you have done for this community. Thanks for having faith in me.

My Imperial Crown Prince **Michael**, Oh darling! What can I say. We had a good year. Lots of fun. Lots of dresses.

Regina, thanks for all your support, lots of fun.

Saskatoon, well girls we have come a long way. Love you all. **Ruthie and Darren**, love you both. Darren you need to drink in the afternoon to keep up to Ruthie. No Ruthie those were not my panties they were from that leather man you picked up and you told me he was butch. Explain that to your mother and husband.

Vancouver, well what can I say. Too many clubs, not enough beer time.

Calgary - Ty Morgan, thanks for all the advice. A D.Q. needs a sister like you at all times.

Special thanks to **Keith and Jim** for your support and the truck. It may be old but we still get around.

To my husband **Brian**, thank you honey for your support, your love and your bitchen. We sure came along way in a few short years. We still have many years left. Thank you honey.

The following are just some of the organizations that are active in the Edmonton area.

ROSS ARMSTRONG MEMORIAL TRUST FUND

Under the sponsorship of the AIDS Network of Edmonton Society the Ross Armstrong Memorial Trust Fund was established in 1986 to assist persons affected by HIV infection or AIDS related diseases in Edmonton. Ross Armstrong was the first person in Edmonton diagnosed with AIDS and he worked to establish The AIDS Network and to educate gay men about this disease affecting our community. A Board of Directors reviews applications and approves awards. Applications for assistance can be forwarded to the AIDS Network c/o the Executive Director. In 1989 the fund made 42 awards totalling \$7,021.00 and in 1990, 67 awards totalling \$7,373.00. During the first six months of 1991, 40 awards totalling \$7,666.12 have been made. Please consider this fund for a personal donation. A receipt from the Network is available for all donations made.

**DECADE EMPEROR
H.I.S.M. EMPEROR VI, DARYL (MR. VERA)**

Our Vera was born in Bucharest. As she matured, she developed into a rare beauty. What daddy didn't know, but was soon to find out, was that Vera liked boys. Actually, she just loved them. Can we be blunt here? Vera was a nymphomaniac. But what's a girl to do? Reposing on the shelf for a lengthy period of time was not in Vera's nature. After her short lived first marriage, her second more or less permanent romance involved a womanizer named Josef, who had the brains of a pea and the body of a Greek god. Vera wasn't interested in his brains.

Well, both husbands were a bore and her 32 lover's lost their get up and go, so to speak. Rather than imagine them in the arms of someone else, whenever Vera's lovers' desire waned she killed them.

Thanx Twig, love ya Star.

I remain,

Decade Emperor VI, Daryl (Mr. Vera)

**DECADE EMPRESS
H.I.S.M. EMPRESS VI LINDEE STAR**

Ten years! A decade, my...it just goes to prove you can get here from there. If I have anything of value to share with you this evening, it would be the realization that there are only two commodities of true value, time and friendship. Travelling back to the time when I first began my "journey" as a "drag performance artist", I often found myself ostracized by the very group, whose approval I sought, my gay and lesbian brothers and sisters. I learned that the friendships I forged out of these difficult times; as I struggled with an emerging identity, were to become my most valued possessions. I knew I had to use my time well in order to justify the great confidence these friends had in me. I give my year as Empress, along with the friends I found here, much credit for my present position in life.

If ever you wonder about the value of the court system in today's fast changing world of Gays and Lesbians, take stock of the friends whom sit to your right and to your left. These people accept and applaud you for who and what you are without question. The seed of confidence once sewn and the time spent with these folk is precious indeed.

You know being head party joke for one whole year can build a very strong determination to finish and win.

I thank you all for your kind attention as I am permitted the honour of performing my "ten year" for you this evening. Thanks Edmonton! I remain...

DAMNEE MANON SACREE SANDRA

A Play by Michel Trembley
Translated by John Van Burek
Directed by Paul M. Sontz

DAMNEE MANON SACREE SANDRA - is a highly erotic series of secretive vignettes which delve into the psychological confessions of two characters. Manon, the puritanical nun-like dame of the church. And Sandra, the traditional transvestite lady of the street.

The cutting edge...funny...thought provoking!!!
